“ Hi I'm Thomas, a trained sound engineer now working towards becoming a full stack web developer. I am driven by the balance of technical ability and creativity that those careers demand. I am eager to grow within the tech industry that evolves ever so quickly. ”

SKILLS

- Team spirit
- Fast learner
- Methodical
- Determined
- Versatile

LANGUAGES

- English
- French
- Portuguese
- Dutch

WORK EXPERIENCE

Teacher Assistant

Le Wagon Bootcamp
July & August 2023

Full Stack Developer

Le Wagon Bootcamp
May 2023 to June 2023

- Building a website during the last two weeks of the bootcamp was an intense and challenging experience. We developed the product from scratch and it is now in production.
- Working in a team of 3 developers, I gained useful skills regarding team efficiency and team workflow.

Sound Engineer

Jet Studio 2018 - 2023

- Recording & Mixing Engineer

Cosy Jet Sessions 2021 - 2023

- Co-Founder - Project Manager
- Recording & Mixing Engineer
